Dear Valued Customers,

As a reliable Hose Assembly Manufacturer with Integrity *since 1977*, we would like to introduce our Hose Management Services to value-add to our products and services to our customers.

Our Hose Management Services, validate the Integrity of our hoses and its assembly as a reliable Hose Assembly Manufacturer. Hose assemblies with Integrity make certain of extending the life-span of our hose assemblies, and our customers' equipment, tools, machines, and to prevent unnecessary shut-down, personnel safety, environmental safety, and additional costs to dispose of hoses. Most importantly our Hose Management Services contribute to "Peace of Mind," while our customers focus on their core business.

We would like to invite you to choose from our "menu of hose management services," to experience Savings, Savings and Safe, by checking on the boxes.

Our Customer Relationship Management team @6266-1622 salesadmin@grp.com.sg will be glad to assist and arrange our Sales Engineer to visit you and share:

"What We Do,"
"How We Do It,"
"Why We Do It," and
"What's In It for Our Customer."
WITHOUT ANY OBLIGATION.

Respectfully yours.
